exciting.

Up and Down the Hill: Part 3

43

Riff did not kill the skunk. He did not like the bad smell.

Sam said, “Look at Riff rub on the grass. Look at him lick his legs.”

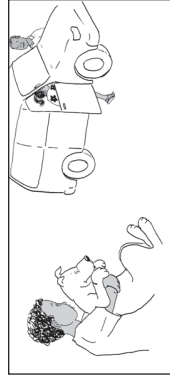

Riff ran over to Ann. “No, Riff, do not come here,” said Ann.

“I do not want to smell like that skunk. I do not want to stink like you.”

Sam and Ann went home with Riff. They put Riff in the bathtub.

“Look,” said Sam. “Riff has a cut. The skunk cut his leg.”

Dad, Sam, Ann, and Riff got in the van. They went to see the vet.

The vet put something on Riff's leg. Then Riff slept in the van.
