The Pet Fish: Part 1

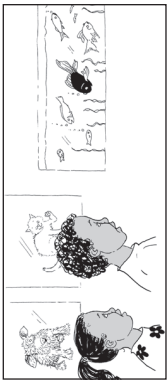

44

Sam and Ann want some pet fish.
They get in the van with Dad.

Here they are at the pet shop. The
pet shop sells fish, dogs, and cats.

There are lots of fish—red fish,
black fish, and pink fish.

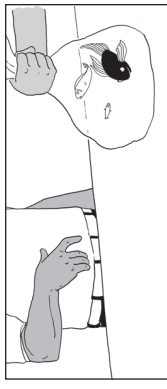

There are big fish and little fish.
The little fish swim fast.

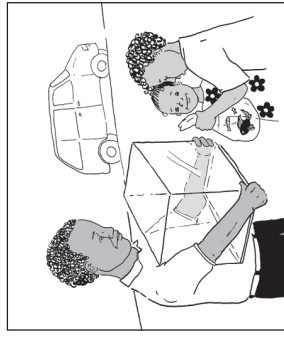

Ann and Sam like a little red fish.
Ann wants a big black fish.

Sam wants a fish that is big and
pink. Dad gets all 3 fish.

The man in the pet shop puts the
fish in a bag. It is a plastic bag.

Then Dad gets them a big fish
tank. They all go home in the van.
