Sam and Ann like to hide from  
Riff. Sam goes in back of a  
bunch of sticks.

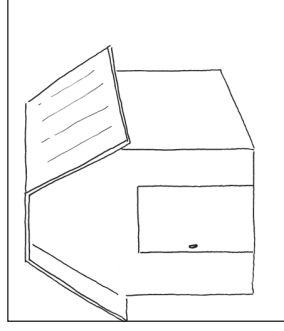

Ann gets under an old box.  
Then she calls, “Riff, come and  
find us.”

Riff finds Ann under the box.  
He finds Sam by the sticks.

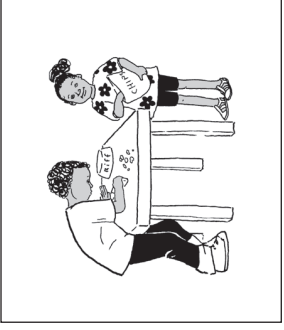

Sam says, “Let’s trick him.  
Let’s put some chips and nuts  
by the shed.”

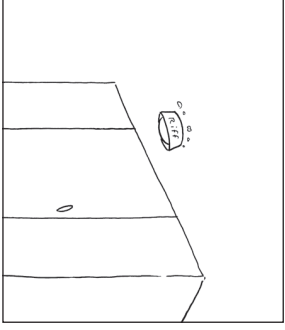

## Can Riff Find Us?

48

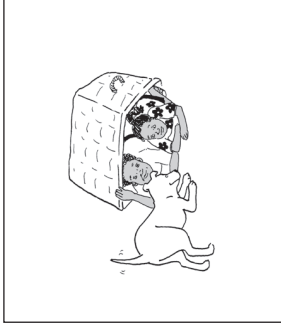

“Riff will go there and will not see us hide.” Sam chops some nuts.

He mixes the nuts with chips. Then he puts them by the shed.

Riff gets the nuts and chips. Then he finds Ann and Sam under a basket.

“How can he find us?” asks Sam. “I think he can smell us,” says Ann.
